## *Journeying with Jesus To the High Places*

Not many of us are living at our best. We linger in the lowlands because we are afraid to climb the mountains. The steepness and ruggedness dismay us, and so we stay in the misty valleys and do not learn the mystery of the hills. We do not know what we lose in our self-indulgence, what glory awaits us if only we had courage for the mountain climb, what blessing we should find if only we would move to the uplands of God.

~ Streams in the Desert

The journey to the high places is the call of God upon all of our lives. A path specifically chosen, and one upon which we do not walk alone—Jesus goes with us. He is our faithful traveling companion.

Have you been lingering in the lowlands? Do you desire to move to the uplands of God?

We invite you to take a journey with us through the pages of Scripture, and discover what it means to:

*“Press toward the prize of the upward call of God in Christ Jesus”*

—*Philippians 3:14*
