CALVARY OLD BRIDGE
ONE YEAR BIBLE CHALLENGE

ccob.org/biblechallenge2018

STRUCTURE

Originally published by The Bible Project (thebibleproject.com), this plan takes you through the entire Bible in one year. The Scriptures are organized in semi-chronological order. You'll read two or three chapters a day, and sometimes skim through larger portions that contain genealogies, census information, etc. One Psalm is also listed each day for you to slowly pray through, making its words your own. By the end of the year, you will have prayed through the book of Psalms two and a half times.

VIDEOS (VID)

The Bible Project publishes brief illustrated videos, listed in your reading schedule. *Please note:* the Pastors at Calvary Old Bridge consider many of these videos helpful, but do not necessarily endorse everything these videos espouse.

MEMORY VERSES

Psalm 119:11 says, "I have hidden your word in my heart that I might not sin against you." To help apply that Scripture, this reading plan offers two verses to memorize each week. The verses appear in *bold italics* in the Videos/Memory Verses column. Our main focus will be memorizing the first verse listed, which will come from the main readings of that week. For those looking for an extra challenge, a second memory verse is given from the Psalms. Whether you choose to memorize one or two verses a week, committing God's Word to memory will help you apply Psalm 119 and live in a way that pleases God.

COMMENTARIES, DISCIPLESHIP + FELLOWSHIP

In addition to these previously described features of the reading plan, Calvary will be providing daily commentaries and suggestions to foster discipleship and fellowship as we read through the Bible together in 2018. To learn more about any of these aspects of the plan, or to sign up to learn more, visit ccob.org/biblechallenge2018.
